- Rungs 30x30 mm

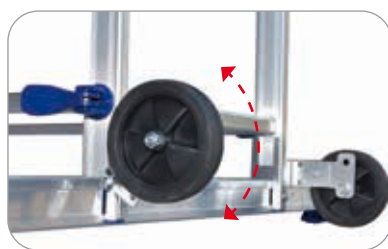

Aluminium die
casting
automatic hinge
with internal
steel plate
strengthening
(Registered
Patent)

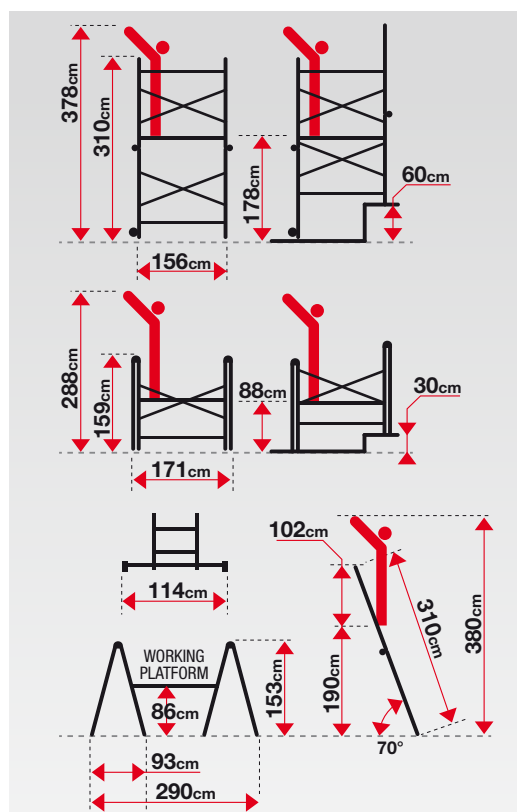

2 Double ladders

2 Leaning ladders

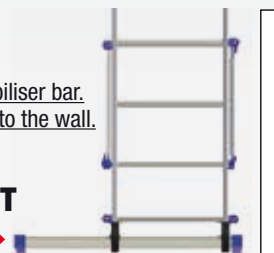

Castor lifting system.
It prevents that the two ladders
slip when they are in A-frame step
position or used as leaning ladders

ATTENTION!

Double position stabiliser bar.
Easy working close to the wall.

IMPORTANT

ASSEMBLING TIME

First time: **12min** Next: **4min**

VERY FAST ASSEMBLING

READY TO USE

YOU HAVE JUST TO FIX THE TWO STABILISER BARS
