

- Small stepladder with inactive wheels, gripping only after lifting the front part.
- Folding handles to lift the climbing side.
- Safety handrails 10 cm higher than the upper tray.
- Large aluminium bars to guarantee stability and compactness during use and displacement.

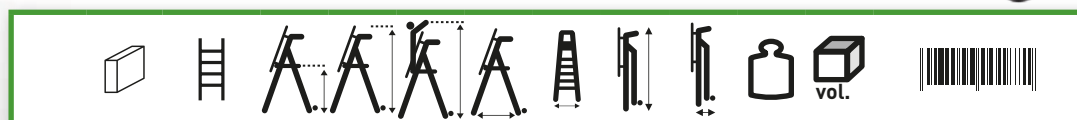

**MAYORÀ COLOURS:**

Plastic finishing: RAL 9004 Black  
Handles: RAL 2004 Orange

UPDATE NEW NORM EN131: 01/18
